DiGGiT

Volleyball SKILLS SUMMER CAMP

DiGGiT continues with its tradition of providing top quality coaches instructing in the sport of indoor volleyball on hard court surfaces.

The DiGGiT SKILLS CAMP is designed for overall volleyball skill development and improvement for the individual athlete.

The instruction will cover all aspects of the game including passing, attacking, serving, blocking, setting, defense, game play along with some unique fun in a positive environment.

It is designed for both entry level as well as the high school or club athlete who has the motivation and desire to come train and learn how to play at a higher level.

Come and have some fun training volleyball with us this summer!

DiGGiT Training provides you with the tools needed to give you that edge over your competition.

- We provide quality instruction by a motivated and enthusiastic group of mature head coaches.
- We provide informational sessions on how you can perform better as an athlete. Various presenters will share their knowledge of what it takes to be successful as an athlete. You apply it to volleyball.
- We provide you with all the quality food needed to replenish the spent energy from training. Lots of volleylicious nutritious food is provided at all scheduled break and lunch times.**
- We provide the environment for you to have success at developing your volleyball skills.
- Over 36 hours of quality volleyball skill instruction with daily on-court skill fundamental drills, game strategies, with mental preparation, plus nutritional information, and athletic fitness instruction.
- World League Games are held on Monday, Tuesday and Wednesday evenings starting at 6:30 - 8:30pm
- The camp is designed for the athlete who is serious about improving their skill and knowledge of how to play the game better!
- Your performance as a volleyball athlete will improve, as will your self-confidence!
- You will be totally immersed into volleyball training. We provide the instruction in the skills needed, giving you the focused training essential to your improvement - no matter where your current level of ability is.
